JUNE HEALTH EDUCATION AND WELLNESS PROGRAM—EXERCISE-MOVE FOR THE HEALTH OF IT: In recent years we have gained a new understanding about the importance of life-long activity; a longer life, better health, a trimmer appearance, a brighter outlook, less stress and more beneficial sleep. June's packet will show you how exercise can benefit every aspect of your life. Packets will be available at all medical facilities in June and upon request to Carol Roth, 867-3414, CHS-005, email at **Roth-1, Carol.** (JJ-C)

CARDIOVASCULAR DISEASE (CVD) SCREENING SCHEDULE:

Wednesday	June 9, 1999	7 a.m. – 8 a.m.	OHF (Occupational Health Facility)
Thursday	June 10, 1999	7 a.m. – 8 a.m.	CCAS (Cape Medical Facility) (JJ-C)

COLORECTAL CANCER SCREENING: Screening kits (Hemoccult slides) are available at all medical facilities during hours of operation. (JJ-C)

VISION SCREENING: 2nd and 4th Tuesday of each month, 11:00 a.m. to 1:00 p.m. at the OHF (Occupational Health Facility). (JJ-C)

FLAGS AT HALF STAFF: The flags of the United States will fly at half staff at the Kennedy Space Center until noon on Sunday, May 30, and on Monday, May 31, in honor of Memorial Day (traditional) and Memorial Day (observed), respectively. (FF-S1-B)

KSC FITNESS CENTERS PRESENT LUNCH AND LEARN FOR MAY—FUNCTIONAL FITNESS: Bring your lunch and learn about core strength, stabilization of the torso muscles, and prevention exercises for the neck and back. Learn to focus on muscles we use for everyday activities. Join us Friday, May 28, in O&C, Room 2004, at 12:00 noon. Call 867-7829 to sign up. (JJ-C)

KSC FITNESS CENTERS' ADOPT-A-COUCH-POTATO PROGRAM: Less than 10% of adults exercise at the recommended level...do you or does someone you know fall into the other 90%? To find out about getting up off the couch, check out the KSC Fitness Centers' ADOPT-A-COUCH-POTATO Program. Stop by either KSC Fitness Center and complete an Adoption Quiz. The program starts June 7, and continues through July 2. Call 867-7829 for more information. (JJ-C)

TAKE OUR SONS TO WORK DAY—JUNE 8, 1999: Kennedy Space Center will sponsor "Take Our Sons to Work Day." This annual program allows parents, grandparents, aunts, uncles, sisters and brothers who work at KSC and Cape Canaveral Air Station to bring a young man to work with them and to encourage them to look at various career choices available, stay in school, and set goals for their future. Sponsors may bring more than one child, but only children nine years of age and older may participate. See the May 28 issue of Spaceport News for more information on badging requirements, the day's activities and programs. (AJ)

CONSTRUCTION NOTICE: Paving of Kennedy Parkway south, northbound lanes, from Gate 2 to 5th Street and the intersection at "E" Avenue and NASA Parkway, will be under construction starting in the month of April. The contract runs for 90 days. There will be impacts to the flow of traffic in these areas between the hours of 8:30 a.m. and 3:00 p.m. daily. Please use caution in these areas while the repairs are being accomplished. (FF-D1-A)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 a.m. to 4:00 p.m. Appointments may be made by calling 867-7398. (JJ-C)

KSC ELECTRONIC FORMS: Civil Service and contractor employees are encouraged to request access to the KSC Electronic forms software. This software application allows users to access both KSC and NASA forms online from their own workstation. Bond paper copies of electronic forms will continue to be available through the FORMS WAREHOUSE until October 1, 1999. As stocks are diminished, the center will convert to on-demand printing of paper forms for users who do not have access to a computer. The internet address <http://kscforms.ksc.nasa.gov> provides software installation and usage instructions along with the entire forms index listing, including NASA forms. J-BOSC personnel should request access through the CARE Center at 867-5010. NASA personnel who receive assistance through the Outsourcing Desktop Initiative (ODIN) contract should call the ODIN Help Desk at 867-ODIN. Boeing personnel should contact their Helpdesk. All other KSC personnel can use KSC Form 28-780NS to request access. For additional information users should call the J-BOSC Forms Control Office at 867-3590. (FF-S2-A)

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although much emphasis is placed on major procurement fraud, (particularly allegations of product substitution, cost mischarging, kickbacks, anti-trust violations, and research misconduct), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning safety, fraud, waste or mismanagement. Briefings can be scheduled by calling 867-4714. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq. (OIG)

KSC LIBRARY—INTERNET RESOURCES: Applied Science and Technology Index and Business Periodicals Index are now available on the World Wide Web from KSC networks at <http://wilsonweb2.hwwilson.com/autologin/>. For assistance call 867-3600. (FF-S2-A)

KSC LIBRARY—INTERNET RESOURCES: Engineering Index and Engineering Information Village are now available on the World Wide Web from KSC networks at <http://www.ei.org>. For assistance call 867-3600. (FF-S2-A)

KSC LIBRARY—HOURS OF OPERATION: The Reader Services and Acquisitions Departments of the KSC Library are open from 6:45 a.m. to 5:00 p.m., Monday through Friday. The Archives and Documents/Specifications & Standards Department are open from 7:30 a.m. to 4:00 p.m.; however, assistance in all departments during the expanded hours can be obtained by calling 867-3600. (FF-S2-A)

KSC LIBRARY: Tours for the library for individuals or groups may be scheduled by calling 867-3600. (FF-S2-A)

OFFICE COPIER VIEWGRAPH MATERIAL: Viewgraph material will not be supplied to NASA and authorized associated contractors by the copier contractor, Lanier. All viewgraph material must be obtained through JBOSC Supply. The stock numbers are 7530-00-238-9232 and 7530-00-K05-4069. All other viewgraph materials are not acceptable for use in the Lanier Copiers. (FF-S2-A)

UNAUTHORIZED COMMITMENTS AND RATIFICATIONS: An unauthorized commitment is an agreement between the Government and a contractor that is not binding; solely, because the Government representative who made it lacked the authority to enter into that UNAUTHORIZED agreement on behalf of the Government. Ratification is the act of approving an unauthorized commitment by an official who has the authority to do so. Unauthorized commitments are strongly discouraged and can indicate serious employee misconduct. Individuals making unauthorized commitments may be subject to disciplinary action, and the issue may be referred to the Office of the Inspector General. Only Contracting Officers acting within the limits of their delegated authority are authorized to commit the Government. If you are unsure of your authority, before directing a contractor to take any action, call your project control office, or the Procurement Office at 867-7217, for assistance. (OP-AMO)

OFFICIAL NASA/KSC U.S. MAIL: When sending official NASA/KSC U.S. Mail using NASA envelopes or mailing labels, the return address must contain the mailcode of the sender. Mail couriers will reject mail which does not contain a return address. (FF-S2-A)

PRINTING/COPYING PAPER USERS: The NASA HQ Code JT has set a goal for each center to reduce the annual use of paper stocks by 10 percent. Suggestions on how to accomplish this goal are printing on both sides of the paper; circulating, posting, and publishing memoranda and other information using email, bulletin boards, routing slips, newsletters; and distributing documents in electronic format via file servers or home pages to avoid making copies on officer copiers. Your support in implementing these suggestions will help meet KSC's paper reduction goal. (FF-S2-A)

EMPLOYEE ORGANIZATIONS: Employees have the right to join, or refrain from joining, employee unions. NASA recognizes the right of its employees to form, join, and assist any employee organization, or to refrain from any such activity, and to exercise these rights freely and without penalty or reprisal. This right also extends to participation in the management of the employee organization and to acting as an employee organizational representative, except where such activity would result in a conflict of interest with the official duties of an employee. (HM-A-3)

LEAVE ADMINISTRATION: Properly managing the use of annual and sick leave is your responsibility. Except for emergencies, you are expected to request leave in advance and obtain your supervisor's approval. In cases of emergency absence, call in and notify your supervisor of the circumstances as soon as possible after the start of the workday, but no later than 4 hours after the beginning of the workday. Failure to properly request and obtain approval of leave may result in the absence being charged to "Absence Without Leave" and could also lead to disciplinary action. Those who are earning annual leave above maximum accumulations limits must plan use of annual leave to avoid loss of one or more days at the end of the year. (HM-A-3).

SECURITY NOTICE: Florida State Statue 316.1975, Unattended Motor Vehicles, states: "no person driving or in charge of any motor vehicle except a licensed delivery truck, or other delivery vehicle while making deliveries, shall permit it to stand unattended without first stopping the engine, locking the ignition, and removing the key." Do not leave the engine running in your unattended vehicle, at any time. (FF-S2-D)

FEDERAL EMPLOYEE HEALTH BENEFITS FOR MILITARY RETIREES: CHAMPUS coverage for military retirees is automatically transferred from CHAMPUS to Medicare coverage upon attaining the Medicare eligibility, at age 65. Employees have 31 days from the date of loss of CHAMPUS to enroll in a Federal Employees Health Benefit (FEHB) plan. Military retirees who are thinking about retiring from civilian service before reaching Medicare eligibility are reminded: to have FEHB coverage as retiree, an employee must be enrolled at the time of retirement; to insure coverage, they should enroll in an FEHB plan that takes effect before the retirement date elected. To keep FEHB after retirement, employees must be enrolled for at least 5 years; and coverage under CHAMPUS counts towards eligibility to carry FEHB into retirement. Questions regarding health benefits should be referred to Sharon Lowry (867-2514), or Kathy McIntosh (867-2504), Benefits Team, Personnel Office, Headquarters Building, Room 1404. (HM-A-3)

EMBRY-RIDDLE UNIVERSITY: Embry-Riddle University will be offering a Master of Science in Industrial Optimization Degree Program on-site at KSC beginning in August, 1999. The 2-year program is designed to assist scientists and engineers in developing optimization and statistical quality improvement skills for product design and process improvement. The courses will be taught one-at-a-time in a 9-week term format. This practical program will use aerospace case studies and emphasize computer applications. **Applications must be received by June 30, 1999.** For more information and a schedule of classes, send an email message to osborned@db.erau.edu or contact Dr. Deborah Osborne, Program Coordinator, at 904-226-7688.

CTAP: The Career Transition Assistance Program is available to assist the KSC NASA employee. Support areas include resume writing, interviewing, job search activities, starting your own business, consulting, and many other self-help programs. We have a research and reference area, a computer lab with special software, and links to the Internet. Co-located with CTAP is an Employment Specialist from the Florida Department of Labor. CTAP is located in HQ, Room 1355, 7:00 a.m. to 3:30 p.m.; you may also access us through the NASA KSC homepage (see: PERSONNEL/CTAP). Whether you are interested in individual counseling, dynamic workshops, or "surfing on your own," CTAP can help! Call **867-4350** for further information.

PERSONALITY PREFERENCE TESTING: Robin Lusardi and Sherryl Vida of our **CTAP** office are certified to administer and interpret **The Myers-Briggs Type Indicator** evaluation. Discover the real YOU! Capitalize on your personality type and communication skills. They will also meet with NASA work groups to discuss how working productively and smoothly requires an understanding of ourselves as well as our co-workers. Telephone Robin or Sherryl at **CTAP**, 867-4350.
